23rd June 2026.

Dear Sir,

## RE: INVITATION TO SPEAK AT THE YAHAYA AHMED MODEL SCHOOL CAREER GUIDANCE AND ORIENTATION PROGRAMME

Greetings from Yahaya Ahmed Model School as we do hope this finds you well.

Following on our earlier conversation, it is with great pleasure that we write to invite you to serve as a Guest Speaker at our upcoming **Career Guidance and Orientation Programme** for students transitioning from Junior Secondary School (JS3) to Senior Secondary School (SS1).

At this crucial stage of their academic journey, our students are expected to make informed choices regarding their areas of specialization, namely the **Science and Humanities classes**. We recognize that such decisions have far-reaching implications for their future academic and professional lives. Consequently, the school is committed to exposing the students to experienced professionals from diverse career fields who can provide guidance, inspiration, and practical insight.

Having considered your professional accomplishments and experience in the field of **software development/electrical engineer**, we believe that your participation will greatly enrich this programme and positively influence the career aspirations of our students.

The programme is designed to be conducted virtually, allowing our students to interact directly with accomplished professionals from across Nigeria and beyond.

### Proposed Details of the Session

- **Programme:** Career Guidance and Orientation Programme
- **Target Audience:** JS3 Graduates and Prospective SS1 Students
- **Mode:** Hybrid [Physical and Virtual Meeting (Google Meet)]
- **Duration:** 30 – 60 Minutes
- **Date:** Wednesday 24th June – Friday 26th June 2026.
- **Time:** 9:00 – 12 noon

**(Please, do let us know what time works best for you within the above schedule to help us align and prepare the students for your session)**

We sincerely hope that you will honour this invitation and contribute to shaping the aspirations of the next generation. Thank you for considering this invitation. We look forward to your positive response and to having you share your inspiring journey with our students.

Please accept the assurances of our highest regards.

Yours faithfully,

Management

## Suggested Areas of Discussion

To ensure that the students gain maximum benefit from the session, we kindly request that your presentation addresses the following areas:

### 1. Personal and Professional Introduction

Please introduce yourself by sharing:

- Your full name
- Educational background
- Current occupation and designation
- Years of professional experience
- Organizations or institutions you have worked with
- Major achievements or milestones in your career journey

### 2. Understanding Your Profession

Help the students understand:

- What your profession entails
- The various career opportunities within the profession
- Common misconceptions people have about the profession
- The relevance and impact of the profession in society

### 3. A Day in the Life of a Professional

Share practical insights such as:

- What your daily responsibilities look like
- Typical working hours
- The working environment
- The skills and attitudes required to excel
- The most exciting aspects of your work

This section will help students appreciate the realities of the profession beyond what they see in movies, social media, or textbooks.

### 4. Why You Chose This Career

Students are often inspired by personal stories. Kindly share:

- What motivated you to pursue this career
- The challenges you encountered while studying or practicing
- Key lessons you learned along the way
- Advice you would give to students who desire to follow a similar path

## 5. Subject Requirements and Academic Preparation

Please enlighten the students on:

- The subjects required at the Senior Secondary School level
- WAEC/NECO subject combinations relevant to the profession
- UTME/JAMB requirements where applicable
- Recommended university courses or training institutions
- Professional certifications or specialized training that may be required

## 6. Challenges of the Profession

Students should have a realistic understanding of the career. Kindly discuss:

- Common challenges faced by professionals in the field
- Physical, emotional, financial, or academic demands
- Ethical issues or difficult decisions encountered in the profession
- Strategies for overcoming these challenges

## 7. Rewards and Opportunities

Please share the positive side of the profession, including:

- Personal fulfillment and sense of purpose
- Career advancement opportunities
- Areas of specialization
- Opportunities for entrepreneurship or private practice
- Local and international career prospects

## 8. Future Trends and Emerging Opportunities

In this rapidly changing world, students need to understand how careers are evolving. Kindly discuss:

- Technological changes affecting the profession

Website: [www.yamschools.org](http://www.yamschools.org) email: [info@yamschools.org](mailto:info@yamschools.org)

- The impact of Artificial Intelligence (AI) and automation
- Emerging areas of specialization
- Skills that future professionals in your field should begin to develop now
- Opportunities that may arise in the coming years

## 9. Interactive Session

We encourage an interactive session where students can ask questions and seek clarification regarding:

- Career choices
- Subject combinations
- Personal development
- Academic excellence
- Preparing for the future workplace

Your wealth of experience and practical insights will undoubtedly inspire our students to make informed decisions and pursue excellence in their chosen paths.

**Signed**
